MY FAVOURITE THINGS

Book *Appetizer: New Interiors For Restaurants & Cafes* (Gestalten). It's full of design and colour ideas. The graphics and styling inside are

inspiring my next collection. **Hand** Who wouldn't love a cool gold hand like this one? It's from Fenton & Fenton. **Black and white vase** From Goose Store in East Geelong. **Small crystal vase** Found at Husk. **Purple vase** A Jordan piece. **Table** Ethnicraft via Retrojan. **Chairs** Retrojan again. **Faux-fur throw** Lumiere Art+Co. **Tray** Zakkia. **Painting** My work, titled *Make Noise*. **Rug** Sage x Clare.

Dog Willow is bossy and rude but very loveable. She lives for cuddles. **What does 'home' mean to you?** It's my happy place, full of the people and things that make me me. **Local haunts** Koornang Road is full of delicious places to eat. Our favourite coffee spot is Left Field in Carnegie. It's pet-friendly, too – Willow loves getting out! ▶ brentrosenberg.com
